Easter 2020 Course, 6 – 9 April
The Perse Upper School, Hills Road, Cambridge

Parent Help

We need additional help from parents to help the Easter course run smoothly. If you can spare an hour or two, please see what is involved by reading the **Guidelines for Parent Helpers** on the website **www.holidayorchestra.co.uk**. Then return this form by email to Gina Holland on gina@biff.org.uk indicating the exact times when you would be available. If you prefer to print a paper copy, you can return this to Fiona Rutter with your booking form. We will contact you before the course starts confirming when we will need your help. Please contact Gina by email for more information about being a parent helper.
